

Plastic Lockers

Our revolutionary tough polyethylene plastic lockers offer an alternative to conventional metal lockers. They are robust, hygienic and secure.

Features and benefits:

- Will not rust, dent or corrode.
- 7 Year Guarantee.
- Suitable for indoor and outdoor use
- Ideal in damp, humid and corrosive environments
- Hinges tested to 7 times FIRA industry standard
- Three heights (450, 600, 900mm), all units 320mm wide x 460mm deep.
- Tough polyethylene material - highly vandal resistant
- Retro fit sloping top - to deter litter
- Grey bodies with blue, red, yellow or green doors
- Very strong hinge that can withstand 3200N (327kg) before breaking
- Label position and air vents on all door sizes
- Easily stacked and nested with marked fixing points

- 1 2 3
- Three lock types available:
1. Camlock with 2 keys
 2. Swivel catch for use with padlock (padlock not supplied)
 3. Coin return for wet and dry environment.

Height (mm)	Lock Option	Blue Order Ref	Red Order Ref	Yellow Order Ref	Green Order Ref	Price (Each)
450	Camlock	02-04000	02-04001	02-04002	02-04003	£111.00
	Swivel Catch	02-04004	02-04005	02-04006	02-04007	£111.00
	Coin Return	02-04008	02-04009	02-04010	02-04011	£147.00
600	Camlock	02-04012	02-04013	02-04014	02-04015	£129.00
	Swivel Catch	02-04016	02-04017	02-04018	02-04019	£129.00
	Coin Return	02-04020	02-04021	02-04022	02-04023	£165.00
900	Camlock	02-04024	02-04025	02-04026	02-04027	£151.50
