Flatbed	1070 x 505 x 1190					

Toptruck - Folding Foot Stairclimber _____

A sack truck designed to climb stairs and pavement due to its tri-star wheel design.

- Supplied with rubber cushioned wheels
- Tubular steel frame construction
- Folding foot toeplate
- Wheels fitted with steel hubs
- Not designed for tight turning circles
- Powder coated in blue

Product Description	H x W x D (mm)	Wheels (Ømm)	Toeplate W x D (mm)	Order Ref	Capacity (kg)	Price (Each)
Folding Foot Stairclimber	1150 x 605 x 765	6 x 160	365 x 365	FFS	120	£92.30

Toptruck - Extendable Trolley _____

This smart trolley can adapt to various load sizes as the overall base length can easily be extended.

- Aluminium framed
- Collapses fully for compact storage
- Fitted with a telescopic handle
- Moulded plastic corner buffers for added protection

Product Description	H x W x D (mm)	Wheels (Ømm)	Order Ref	Capacity (kg)	Price (Each)
Fully Extended	825 x 430 x 710	100	MPT100	100	£69.36
Collapsed	235 x 430 x 510				

Toptruck - 1 Tier Platform Truck _____

This truck is ideal for use in shops, offices, schools and warehouses.

- The base is manufactured in wipe clean reinforced injection moulded plastic
- Epoxy powder coated steel foldable handle
- Fitted with nylon wheels (two fixed, two swivel)

Product Description	H x W x D (mm)	Folded Height (mm)	Wheels (Ømm)	Order Ref	Capacity (kg)	Price (Each)
1 Tier Platform Truck	820 x 500 x 800	160	100	PPT200	200	£96.61

Toptruck - Folding Flatbed Trolleys

A sturdy range of highly manouvreable steel trolleys suitable for transporting various goods. Ideal for indoor and outdoor use.

- Folds flat for compact storage
- Fitted with non-slip rubber platforms and scuff resistant corners
- Fitted with non-marking wheels (two fixed, two swivel)
- Powder coated steel handles

- Long life nylon or polyurethane rollers
- Long life nylon or polyurethane steer wheels
- 3 position trigger
- Full bushing in key areas
- Greasing points
- Overload/Pressure relief valve
- Sealed Bearings
- Self Lubricating bushes
- Sealed hydraulics
- Exit/Entry rollers
- Conforms to BSEN1757-2:2001
- Lowered Fork Height - 85mm
- Raised Fork Height - 200mm
- Individual Fork Dimensions - 160 x 50mm
- Steering Wheel Dimensions - 200 x 50mm
- TNN = Tandem Roller Dimensions 80 x 70mm
- SNN = Single Roller Dimensions 80 x 93mm

WARRIOR Manual High Lift Pallet Truck

Our Manual High Lift Pallet Truck is ideal for heavy duty applications as a combined pallet truck and lift table.

The truck lifts by pumping the steering handle and lowers by pulling the hand trigger, allowing for easy lowering even under maximum load.

- Lift height 800mm
- Lowered height 85mm
- Quicklift below 250Kg
- Adjustable stabilisers

Product Description	Capacity (Kg)	Fork Dimension (mm)	Individual Fork Dimensions (mm)	Fork Roller Dimensions (mm)	Steer Wheel Dimensions (mm)	Order Ref	Price (Each)
Warrior High Lift Pallet Truck	1000	1170 x 540	160 x 50	75 x 50	180 x 50	WR10540	£583.00
Warrior High Lift Pallet Truck	1000	1170 x 680	160 x 50	75 x 50	180 x 50	WR10680	£660.23

WARRIOR Electric High Lift Pallet Truck

Our Electric High Lift Pallet Truck are suitable for use with open bottom euro pallets and stillages (will not work with full perimeter board pallets) and reduces the physical effort needed by operators and considerably improves the ergonomic conditions at work stations by raising the trucks to the desired height preventing bending and stooping.

- Lift height 800mm
- Lowered height 85mm
- Manual operation included
- Adjustable stabilisers
- Battery and charger included
- 0.8Kw Lifting Motor
- 12v/60Ah Battery
- Fork Dimensions 160 x 50mm
- Fork Roller /Dimensions 75 x 55mm
- Fork Length 1170mm
- Steer Wheel Dimensions 180 x 55mm

WARRIOR MiniStacker

Our Ministackers are excellent for the everyday light duty work area where loads to be lifted far exceed “the manual handling directive” but do not demand a heavy duty industrial stacker. With a capacity of 400Kg and 3 lift height options the ministackers are suitable for many internal jobs.

- Smooth operating foot pump
- Position lifting
- Pressure/overload valve
- Smart chromium plated frame
- Powder coated platform
- Smooth running braked steer wheels
- Very manoeuvrable
- CE marked and supplied with certificate of conformity

Lift Tables

WARRIOR Manual Mobile Lift Tables

Our comprehensive range of mobile lift tables are manufactured to withstand the most arduous working environments normally associated with industrial applications.

- 9 models
- Robust and reliable
- High quality hydraulics with a positive feel
- Foot operated lift
- Infinitely controlled lower
- Foot brakes fitted to swivel castors
- Conforms to BSEN1570-4
