

Tambour Cupboards and Filing Cabinets

A high quality range of cupboards to suit the filing and storage requirements of any office environment. Constructed with a robust epoxy powder coated steel carcass and two independently operated plastic profile tambour doors giving excellent practicality in areas with restricted access space as well as modern aesthetics.

Available in three heights, these cupboards have a three-point locking system for added security.

A choice of three internal fitments are available to suit the filing/storage requirements.

Note: All cupboards are supplied without shelves (please order separately).

Colour Options (please specify at time of order):
