

# BELT DRIVE Industrial - diesel driven - LOMBARDINI

## key features

Reliable diesel powered compressors - ideal for industrial use. Built in the UK by SIP these compressors are powered by high quality Lombardini industrial diesel engines. Economy and power. A static compressor for permanent installation in busy environments.

- Electric start included\*
- Heavy duty efficiency pump - for more usable air
- Multi-bladed flywheel - dynamically balanced for better cooling
- Large finned cylinder head for optimal heat dissipation
- **Air receiver exceeds CE regulations**
- **3 year parts, 10 year air receiver anti-corrosion warranty**

\* Battery and leads not included

04330 **Airmate Industrial Super ISLD8/150 Diesel\***

industrial level

04331 **Airmate Industrial Super ISLD8/200 Diesel\***

- Powerful Lombardini 8hp engine
- 23 CFM (678 litres/min) piston displacement

**REQUIRED:** Stationary compressors must be fitted with anti-vibration mountings, suggested mounts - SIP item no. 02359

**Diesel  
Powered**

**8 HP  
ENGINE**

04330

**Built and Tested  
by SIP in the UK**

**LOMBARDINI**

**Don't Forget  
ANTI-VIBRATION  
MOUNTS**
