

FANS & VENTILATORS

Workshop High Velocity & Drum Fans

trade level ★★

Our range of SIP workshop fans are powerful and robust - perfect for ventilating factories, garages, agricultural buildings and workshops.

- Keep air circulating, providing a fresher working environment
- Aids the ventilation of odours, smoke and fumes. Also can be used for drying purposes
- High Velocity fan and ventilators are light weight for maximum portability
- 24" and 30" drum fans are wheel mounted for easy manoeuvrability
- All fans operate from a 230v (13amp) domestic power supply

Clear easy to use fan speed adjustment

Ventilators

trade level ★★

Providing a fresher working environment. Aids in the ventilation of odours, smoke and fumes - also can be used for drying purposes.
