WOODWORKING BENCH

01441 Oak Woodworking Bench

trade level ★★

A modern version of a traditional woodworking bench. This bench is constructed from quality oak - much harder wearing than standard softwood benches. Environmentally friendly, manufactured from 100% sustainable forests.

- Bench incorporates 2 oak vices
- Supplied with 4 workpiece holding pegs
- Single central, waist level drawer - convenient tool storage
- Low level, full length storage shelf for bulkier items

Waist height drawer

2 oak vices

Workpiece holding pegs

Convenient storage shelf

Woodworker

- Peter Dunsmore

"All in all this is a well thought-out bench that's easy to assemble. It offers extremely good value for money and serves its purpose well. It's comfortable to work at and firm enough to use without the wobble associated with the softwood models available from DIY superstores."

ITEM NO.	01441
Work Top Area	1350 x 500mm
Work Top Height	865mm
