

Topdrawer

A selection of free-standing units and trolley ideal for most environments. The range provides medium to high volume storage for small parts and is ideal for both office and factory use. The cabinets can also be bench or worktop mounted, or if required can be wall fitted (wall fixings are not included). A 48 drawer cabinet complete with doors is also available for secure storage.

A unique slide design ensures the drawers run smoothly. With an anti-drop structure the drawers are safely secured when in use. All cabinets are manufactured from pre-galvanised steel and powder coated in grey.

052005

052003

The drawers are manufactured from high impact ABS/Styrene and include inner dividers and I.D labels. They are fitted with clear front windows for easier visibility of stored items. Drawers are also oil corrosion resistant and have high impact strength. All of the drawers can be completely removed.

Additional dividers and index labels can be ordered separately.

Topdrawer - Trolley c/w 30 Drawers

This trolley with its fixed chrome handle and swivel castors provides easy transportation of stored goods. The galvanised shelves prevent damage from acid, oxidation and abrasion and can hold up to 50 kg per level.

The trolley drawers are designed with an anti-drop device when drawer has been fully pulled out.

- Rubber castors Ø100mm, 2 braked and 2 swivel
