

## Eco-Rax

Eco-Rax is a robust boltless heavy-duty hand loaded shelving system consisting of powder coated blue uprights, galvanised frame beams and ties, chipboard shelves and black plastic feet.

Its design allows for quick assembly without the need for any special tools as the precision manufactured components are simply knocked into place with a soft-faced mallet.

The upright is pierced to offer full adjustability at 35mm pitches in the height.

Eco-Rax is suitable for a wide range of applications in the office, workshop, warehouse and home.

Heavy duty shelves have a capacity of 265Kg (UDL)  
Complete bays are supplied with 5 shelves per bay.
