

Topstep - Double Sided Loop Handle Step

Red powder coated double-sided step with loop handle and 2 x 40mm diameter nylon swivel castors.

When tilted, these steps can be pushed or pulled and the handle also enables the operator to carry the steps.

Safety grip treads are fitted as standard.

| Product Description | H x W x D (mm) | Tread W x D (mm) | Order Ref | Platform Height (mm) | Price (Each) |
|---------------------|------------------|------------------|-----------|----------------------|--------------|
| 2 Step Double Sided | 1120 x 400 x 400 | 300 x 160 | DSMSS2T | 390 | £130.78 |

Topstep - Tilt and Pull Steps

Lightweight yet robust steel constructed semi-mobile steps are manufactured with two 75mm diameter rubber wheels to enable mobility when the steps are tilted.

Finished epoxy powder coated red and includes safety grip treads.

The 4 tread model is fitted with double handrails as standard.

Available in 2, 3, and 4 tread models.
