

DIRECT DRIVE / Oil Free

05291 Super Boxy Compressor

trade level ★★

- 6.4 CFM piston displacement
- 8 bar maximum pressure
- Built-in remote pressure regulator on hose
- Integrated tool storage
- Built-in 2 litre air receiver

KIT COMPRISES:

Blow gun, inflator gun, 3 needles (for inflating balls, bicycle tyres or small inflatable mattresses and 3 metre rubber hose

Built-in remote pressure regulator on hose for added convenience

OIL FREE **PORTABLE UNIT**

ITEM NO.	05291
Supply	230v (13amp)
Air Receiver Size	2 litres
Motor	1.5hp (1.1kW)
Piston Displacement	6.4 CFM (198 litres/min)
Max. Free Air Delivery (F.A.D.)	4.0 CFM (113 litres/min)
Max. Pressure	116psi (8.0 bar)
Noise Level	97dB(A)
Weight	9kg
Packaged Dimensions (HxWxL)	342 x 150 x 555mm
Barcode Number	5012713052912

05293 Super Squirrel Compressor

trade level ★★

- 7.7 CFM piston displacement
- 8 bar maximum pressure

KIT COMPRISES:

inflating gun, 3 needles (for inflating balls, bicycle tyres or small inflatable mattresses, inflator gun with gauge and 3 metre recoil air hose.

Pull-out handle and integrated storage compartment

OIL FREE **PORTABLE UNIT**

ITEM NO.	05293
Supply	230v (13amp)
Air Receiver Size	6 litres
Motor	2.0hp (1.5kW)
Piston Displacement	7.7 CFM (218 litres/min)
Max. Free Air Delivery (F.A.D.)	5.0 CFM (142 litres/min)
Max. Pressure	116psi (8.0 bar)
Noise Level	97dB(A)
Weight	13kg
Packaged Dimensions (HxWxL)	535 x 245 x 450mm
Barcode Number	5012713052936

05295 Airmate Hurricane 6

trade level ★★

- 6.4 CFM piston displacement
- 8 bar maximum pressure
- Integrated control panel with easy to read gauge
- Neat rear cable storage hooks

OIL FREE **PORTABLE UNIT** **6 LITRE RECEIVER**

ITEM NO.	05295
Supply	230v (13amp)
Air Receiver Size	6 litres
Motor	1.5hp (1.1kW)
Piston Displacement	6.4 CFM (181 litres/min)
Max. Free Air Delivery (F.A.D.)	4.0 CFM (113 litres/min)
Max. Pressure	116psi (8.0 bar)
Noise Level	97dB(A)
Weight	9.5kg
Packaged Dimensions (HxWxL)	370 x 355 x 315mm
Barcode Number	5012713052950

06225 **Airmate Hurricane 25-O**

- 7 CFM piston displacement
- 8 bar maximum pressure
- Ultra modern design
- Wheel mounted for easy manoeuvrability

trade level ★★

Useful integrated tool tray

OIL FREE **WHEEL MOUNTED** **24 LITRE RECEIVER**

ITEM NO.	06225
Supply	230v (13amp)
Air Receiver Size	24 litres
Motor	1.5hp (1.1kW)
Piston Displacement	7.0 CFM (198 litres/min)
Max. Free Air Delivery (F.A.D.)	4 CFM (113 litres/min)
Max. Pressure	116psi (8.0 bar)
Noise Level	97dB(A)
Weight	21 kg
Packaged Dimensions (HxWxL)	440 x 255 x 575mm
Barcode Number	5012713062256

06236 **Airmate TN1.5/25-O**

- 7 CFM piston displacement
- Huge 10 bar maximum pressure
- Ultra modern design
- Extra large wheels and extra long handle for superb mobility

trade level ★★

Useful integrated tool tray

OIL FREE **WHEEL MOUNTED** **24 LITRE RECEIVER**

ITEM NO.	06236
Supply	230v (13amp)
Air Receiver Size	24 litres
Motor	1.5hp (1.1kW)
Piston Displacement	7.0 CFM (198 litres/min)
Max. Free Air Delivery (F.A.D.)	3.5 CFM (99 litres/min)
Max. Pressure	145psi (10.0 bar)
Noise Level	97dB(A)
Weight	21kg
Packaged Dimensions (HxWxL)	445 x 570 x 255mm
Barcode Number	5012713062362

HUGE 10 bar MAX. PRESSURE

06296 **Airmate Hurricane 245/25 with 7 Piece Air Kit**

- 8 CFM piston displacement
- 8 bar maximum pressure
- Wheel mounted for easy manoeuvrability

KIT COMPRISES:

Gravity fed spray gun, inflating gun, 3 nozzles and 5 metre coiled air hose

trade level ★★

OIL FREE **WHEEL MOUNTED** **24 LITRE RECEIVER**

ITEM NO.	06296
Supply	230v (13amp)
Air Receiver Size	24 litres
Motor	2.0hp (1.5kW)
Piston Displacement	8.0 CFM (226 litres/min)
Max. Free Air Delivery (F.A.D.)	5.4 CFM (153 litres/min)
Max. Pressure	116psi (8.0 bar)
Noise Level	97dB(A)
Weight	19.5kg
Packaged Dimensions (HxWxL)	595 x 250 x 565mm
Barcode Number	5012713062966

DIRECT DRIVE / Oil Free

Airmate Vertical Compressors

Our fantastic range of super space saving vertical compressors are perfect where space in the workshop is tight.

- Space saving design
- Integrated top mounted control panel with easy to read gauge
- Oil free operation • Convenient top handle
- Complete with regulator
- Easy turn drain valve

Airline from SIP

Outstanding value-for-money, these Airline compressors are exclusive from SIP. Oil lubricated for longer life, these models include twin gauges, plus they're wheel mounted for easy manoeuvrability.

The VDX/50 model features a heavy-duty 'V-Twin' pump for optimum performance.

Airline RC2/24 & RC/50 Compressors

item No: 05297 - 24 litre air receiver

item No: 05289 - 50 litre air receiver

- 8CFM piston displacement
- 8 bar maximum pressure
- Available in 24 and 50 litre air receiver sizes
- Efficient cooling system
- External air filters for easy access
- Wheel mounted for improved manoeuvrability
- Oil lubricated

- Twin pump units - added benefit of single continued operation in the event of a single pump or motor failure
- 2 x twin cylinder single stage pumps
- 270 litre air receiver
- High efficiency pump
- Aluminium die cast valve plate with steel rods

REQUIRED:

Stationary compressors must be fitted with anti-vibration mountings, suggested mounts - SIP item no. 02357

BELT DRIVE Industrial - petrol driven - HONDA

key features

Reliable petrol powered compressors - ideal for industrial use. Built in the UK by SIP, these compressors are powered by quality Honda industrial petrol engines.

Offering either mobile or a static permanent installation option in busy and demanding environments.

- Electric start option* available
- Heavy duty pump - for more usable air
- Safety valve for worry free operation
- Automatic unloader valve
- Splash oil lubrication
- Multi bladed flywheel for better cooling
- Dynamically balanced for reduced vibration
- Large finned cylinder head for optimal heat dissipation
- Air receiver exceeds CE regulations
- 3 year parts, 10 year air receiver anti-corrosion warranty

* Battery and leads not included

- 04328 **Airmate Industrial Super ISKP7/50**
- 04330 **Airmate Industrial Super ISHP7/150**
- 04331 **Airmate Industrial Super ISHP7/150ES Electric Start***

industrial level ★★★★★

- Powerful Kohler® 7hp petrol engine
- 16 CFM (453 litres/min) piston displacement
- Item No: 04328 is supplied with a wheel kit, featuring pneumatic tyres for smoother manoeuvrability
- Items: 04330 and 04331 are supplied as static compressors, for permanent installation, a wheel kit is available as an option.

REQUIRED: Stationary compressors must be fitted with anti-vibration mountings, suggested mounts - SIP item no. 02359

BELT DRIVE Industrial - diesel driven - LOMBARDINI

key features

Reliable diesel powered compressors - ideal for industrial use. Built in the UK by SIP these compressors are powered by high quality Lombardini industrial diesel engines. Economy and power. A static compressor for permanent installation in busy environments.

- Electric start included*
- Heavy duty efficiency pump - for more usable air
- Multi-bladed flywheel - dynamically balanced for better cooling
- Large finned cylinder head for optimal heat dissipation
- **Air receiver exceeds CE regulations**
- **3 year parts, 10 year air receiver anti-corrosion warranty**

* Battery and leads not included

SCREW COMPRESSORS - Airmate Mercury

key features

Industrial SCREW Compressors with Integrated Dryers now available!

These 3 phase rotary screw compressors are designed for continuous use in demanding workshop and industrial environments. Optimising energy consumption, these brand new, Italian made models from SIP are super-efficient, powerful and reliable.

Why Choose an SIP Screw Compressor?

- **Efficient**
Over 95% of the air intake is delivered to the tank, meaning greater efficiency and lower energy consumption than piston compressors
- **100% Duty Cycle - Intensive and Continuous Running**
These models can be run for 24 hour usage without a drop in performance
- **Low Noise**
Quieter than piston compressors allowing installation closer to your workspace
- **Air dryer eliminates moisture from the air supply extending the life of air tools**
- **Save space with this all-in-one package for ultimate air efficiency**

Rotary Screw Technology - efficient, low noise and reliable

SILENCED INDUSTRIAL Compressors

key features

Presenting our range of fantastic silenced piston compressors, designed to give you powerful performance but with the fraction of the noise associated with standard piston compressors. These Italian made compressors are an excellent addition to any workshop where the installation requires close placement to the workspace.

- For large air volume requirements with the lowest possible noise levels.
- Extra quiet - *only 64dB(A)*
- Heavy duty 2 stage piston pump for optimum performance and reliability

COMPRESSED AIR DRYERS

key features

The SIP range of compressed air dryers are ideal for eliminating moisture from the air supply and can extend the life of air tools. All models are equipped with a high efficiency heat exchanger including an integrated condensate separator. Plus a programmable control board adjusts the fan speed according to the load.

- Dry air perfect for spray painting
- Can prolong the life of air tools

- 05303 **PS9** Compressed Air Dryer
